# Sportive Tricks

A Southern California folk band formed in 2006 with traditional folk music influences, Sportive Tricks brings you Celtic with a kick. From time-honored sing-alongs to sea chanteys to covers with a twist to original songs, the seven members of Tricks each bring their musical talents, experience, and energy for a foot-tapping good time. Sportive Tricks plays year-round at events and shows in California and Nevada. If you're looking for a fun and versatile band that's equally at home at pubs, festivals, historical events, fairs, or private parties, drop us a line!
